

Shri Abhay Mangesh Kesarkar was born in Dicholi town from Goa on 28<sup>th</sup> June 1954. He has lived most of his life in a commercial city of Goa called Madgaon. Then he shifted to Ponda due to uncontrolled development of Madgaon and later on to scenic village called Bori.

He is an Electrical Engineer, post Graduate in Industrial Engineering and M.Sc. in Environmental Science which he has completed at the age of 60 years. He is a keen sports lover and has captained cricket team of his Engineering College in 1978. He has been Siddha Samadhi Yog teacher since 1997 and later on the Initiator. He has taken voluntary retirement from Mormugao Port Trust (MPT) in 2013 as Dy. Director (IT) to work in the field of Environment. He has successfully implemented SAP in MPT with 600 licenses with the help of his core group and MPT has received an award from SAP for innovative and creative implementation.

At present he is active in Climate Change mitigation, Plantation drives, Revival of paddy fields, development of self-sustainable home and many more activities related to Environment Protection.
